It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

EDUCATION NOTICE.

RULES for the examination of Candidates for insertion in the list directed to be annually furnished to Government, by the Notification of the Governor General, dated 10th October, 1844.

1. No one shall be allowed to become a Candidate for insertion in the Annual Returns, who is less than 18 or more than 23 years of age; and who is not at the time a student either of a Government or of a private Institution recognized by the Council of Education. All competitors must likewise produce satisfactory proofs of good moral character.

2. Every Candidate, whether he belong to a Government College or a private Institution, shall be required to undergo the usual Annual Examination, for Senior English Scholarships, a Latin being substituted for a Vernacular Essay, at the option of each Candidate.

3. There shall be two class of merit: the first shall comprehend all who are in the last year of a Senior Scholarship, or who, though not actually in the last year, would be so, if there had been a vacant scholarship at the time when they first became eligible for one; or have been engaged for ten years in the study of English at a private institution, and who obtain at least $\frac{2}{3}$ of the number of marks allowed in each subject. The second class shall include all other candidates, who obtain at least $\frac{1}{2}$ of the number of marks allowed for complete answers in every subject contained in the Senior English Scholarship standard.

4. The place of each successful competitor in his class, shall be determined by the relative merit of his Examination.

5. Every Candidate for insertion in the Council's list, shall pay a registration fee of Co's Rs. 5, prior to being allowed to compete at the examination.

6. The Examinations shall be held Annually at the Town Hall, a few days before the Doorga Poojah Holidays, of which due notice shall be given.

7. A Student who shall fail to prove himself qualified for insertion in the Council's list, shall not be permitted to present himself for examination more than three times, pre-paying on each occasion the usual registration fee.

8. A Candidate whose name shall once have appeared in the return, shall not be allowed to compete again with a view to obtain a higher grade.

9. All Candidates, whether from Government or private Institutions, must distinctly understand, that mere insertion in the returns will by no means be a sure passport to employment, since the preference must depend upon other qualifications, as well as upon literary and scientific acquirements, and good moral conduct.

10. The following is the system of examination adopted and the standard of the Senior English Scholarships referred to, in Rule 2.

Sets of questions on the various branches of study will be prepared under the direction of the Council of Education, who will likewise fix within a reasonable time beforehand, the days on which the examinations shall be held.

The Students shall be assembled in a room without books, papers or references of any kind. They shall not be allowed to communicate with each other during the examination, and on that account shall be placed at a proper distance from each other.

They will be required to answer the questions and to write the Essays without any assistance whatever, and to ensure this, one of the Members of the Council of Education will remain in the room and superintend the whole examination.

Any attempt at, or practice of, unfair means, shall subject the offender to exclusion from the examination, as well as from the returns of the Council, and thereby render him ineligible for Government employment.

The Council of Education will fix an uniform standard of value for each question according to its importance, a perfectly correct and complete answer will obtain the full number of marks attached to the question, an imperfect answer will obtain a part only of the full number, in proportion to its approximation to correctness and completeness. At least 50 per cent. of the aggregate number of marks attached to an entire set of examination questions, will be necessary to entitle a student to a Senior Scholarship.

The following are the qualifications for the Senior English Scholarships.

The course of History which will form the subject of each Annual Examination, will be made known by the Council of Education on or before the 15th of June of the previous year.

General Literature. He must be able to explain passages of Prose and Verse, selected from standard authors. Hereafter the works from which the passages will be selected for the ensuing year, will be fixed by the Council of Education, at least one year before each annual scholarship examination.

Of Euclid he must know the first four books, the 5th definition of the 5th book, the 11th book, and 21st proposition of the 11th book: Plane and Spherical Trigonometry (Hind's, Snowball's or Woodhouse's) and Conic Sections.

And whereas it is considered, that the cultivation and manufacture of Tea in India will be of great national importance and benefit, as well to the United Kingdom as to the British Territories in India, and the same may be advantageously prosecuted on a scale beyond the resources and enterprise of individual Capitalists, and a Society or Company hath been lately formed, for the purpose of prosecuting and extending the said culture and manufacture with a Capital of Company's Rupees 50,00,000 in 10,000 Shares of Co.'s Rs. 500 each, and certain grants of land have been already made to the said Company in Assam and the North East parts of India aforesaid, and establishments have been formed by the said Company for the purposes of the said culture and manufacture, and are now in operation.

ers are willing at their own expense to carry on the said culture and manufacture, and it would tend much to the convenience and advantage as well of the said Subscribers as of the public, that they should be incorporated in the manner hereinafter mentioned and provided.

And whereas it is considered, that there are in Assam other articles and products of indigenous growth, or to which the soil and climate are also adapted, the culture and preparation of which may be carried on with great advantage and profit by the said Company as incidental to, or in connection with their Tea cultivation and establishment, and whereas it is desirable that provision should be made for enabling the said Company if they shall think fit to avail themselves thereof, and for enabling them to increase their Capital Stock.

menced and carried on, and whereas in such Deed provision was made for confirming the several Acts, Deeds, Matters and Things executed and performed by the Provisional Committee in that capacity.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,...	(1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,	
1 Rupee,	(2 Shillings)
Above 1, and not exceeding 2 ounces,	
2 Rupees,	(4 Shillings)
Above 2, and not exceeding 3 ounces,	
3 Rupees,	(6 Shillings)
And so on, increasing 1 Rupee,.....	(2 Shillings)
for every additional ounce, or fraction of the ounce.	

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

“BRITISH POSTAGE PRE-PAID,
“*Via Southampton.*”

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

WM. MOORE,
Deputy Post Master.

POST OFFICE NOTIFICATION.

P. and O. Steamers.

THE Bi-monthly Overland Communication having now been regularly established between this Country and Europe, and the arrangements for the conveyance of the Mails, direct, between Calcutta and Suez, finally completed and brought into operation; Notice, accordingly, is hereby given, that the rates of Postage charged on Letters and Papers carried by the Government Steamers from and to Bombay, will likewise be levied, in future, on Letters and Newspapers conveyed by the Peninsular and Oriental Company's Vessels, from and to Calcutta, both by way of Southampton, and via Marseilles.

1. The rules relative to the former, having also been made applicable, in every respect, to the latter, are subjoined for the information and guidance of the Public, in general. The scale of British Steam Postage, is, as follows, viz.

On every letter not exceeding $\frac{1}{2}$ an ounce in weight,8 As. or one Shilling.
On ditto above $\frac{1}{2}$ oz. and not exceeding one ounce,1 R. or two ditto.
On ditto above 1 oz. and not exceeding two ounces,2 Rs. or four ditto.
On ditto above 2 oz. and not exceeding three ounces, ...3 Rs. or six ditto.

and so on, increasing One Rupee, or Two Shillings, for every additional ounce weight, or any fraction thereof.

2. British weights not being generally available in this country, the following coins of the Hon'ble Company's currency, are recommended as the best substitutes:

In lieu of $\frac{1}{2}$ an ounce..... One Rupee and One Copper Pie.

In lieu of one ounce..... Two Copper Half Anna Pieces (or Double Pice) and One Pie—the former Coins are procurable by paying the equivalent, at the Mint.

3. Every person confining his English correspondence to the weight of the two former Coins, will be certain of being within the weight prescribed for a single Steamer Letter, and every Letter not exceeding the aggregate weight of the three latter Coins, will, in like manner, be within the weight allowed for a double Steamer Letter.

4. Steam Postage on Letters for Foreign and Continental Europe, or any place to which Great Britain does not necessarily form a channel of communication, forwarded via "Marseilles," as well as letters for Egypt, Syria, Turkey, Greece, and the Mediterranean Islands, subject to Red Sea (Steam) Postage, *must*, as heretofore, be pre-paid in this country.

5. Steam Postage on Letters for the United States or British Colonies in America, or the West Indies (unless addressed to Agents in Great Britain,) *cannot* be pre-paid in this country, whether sent by way of "Marseilles," or via Southampton.

6. The same rule applies equally to Letters for the United Kingdom, comprising England, Scotland, Ireland, Wales, and all the British Islands, despatched through "Marseilles," and also to those for the Continent of Europe, transmitted by way of "Southampton."

7. Letters for any Foreign country, directed to an Agent in England, will be received and disposed of, as if addressed to the United Kingdom.

8. The optional pre-payment of Steamer Postage, applies only to Letters sent, by the "Southampton" Route, to places within the United Kingdom, and vice versa.

9. The Term "Paid (or Pre-paid," which is synonymous) being the distinctive mark (indicative of the wishes of Senders) and the only guide for the Post Office Receivers, all Letters for the United Kingdom via "Southampton," which may be so marked, will, accordingly, be charged with Steamer Postage, and such as are not so superscribed, will be sent "Bearing."

10. The Inland (Indian) Postage which is quite distinct from, and always levied in addition to, Steam Postage, *must* be paid in advance, by the Sender, at the Posting Office, on Letters forwarded from out Stations to Calcutta or Bombay, or from either one Presidency to the other, for transmission by the Steamers, and vice versa, that is, by the Addressee at the Receiving Office. The word paid, therefore, should not be put on any Letter, except on those on which Senders, having the option, intend to Pre-Pay Steam Postage also.

11. No Letter exceeding 12 tolas, (a fraction under 5 ounces) in weight can be transmitted per Letter Mail; but if forwarded by Government Banghy Post, or otherwise sent to Bombay or Calcutta, it may be despatched by the Steamer, from either Presidency.

12. It is particularly requested, that Letters and Papers from the Mofussul, intended for despatch by the Overland Mail, from Calcutta, may be accordingly superscribed, for the guidance of the person who originally receives such Letters at the Posting Office. The route (Southampton or Marseilles) by which they are intended to be forwarded, should always be clearly specified also. Any Letter not marked "Per Steam," or "Overland," will be sent by a Sailing Vessel. In order to avoid mistakes, the name of the country, which a Letter is destined to, (England for example,) should be the last word in the superscription. Letters posted in Calcutta for despatch via Bombay should be accordingly directed.

13. Although $\frac{1}{2}$ ounce is the single weight for regulating Steamer Postage charge, the quarter tola continues to be the single weight for Inland Postage to Bombay, which Letter (from Calcutta to that Presidency,) amounts to Seven Annas.

14. An extra charge of One Rupee for every half tola weight, is made on Letters sent by the Overland Express from Calcutta to Bombay, and no Letter above one tola weight can be forwarded by such conveyance. Thus, for instance, a Pre-Paid Steam Letter of one tola weight, posted in Calcutta for transmission, via Bombay, would be charged with Postage, amounting to Rs. 3 6-0, viz.

Ordinary Inland Postage,	0	14	0
Express ditto,	2	0	0
Steam ditto,	0	8	0

Total Rs. 3 6 0

15. It is requested that no Firm or individual will send Letters exceeding Two Tolas Weight in the aggregate, and that each Letter be superscribed "Overland Express" when intended for such conveyance.

16. The Tola Weight above mentioned is equal to 180 Grains Troy, being the Standard Weight of the Company's Rupee.

17. Postage is levied according to the prescribed weight, without reference to the quality or quantity of the Paper.

18. No Steam Postage whatever is charged in India on Newspapers sent from this country, but Inland Postage to, and from, Bombay must be paid.

19. Receipts, if required, must be brought ready written, along with the Letters, &c. to the Post Office.

The foregoing explanation is given in detail, for the express purpose of preventing mistakes and consequent disappointment.

Any further change that may, hereafter, take place, will be duly notified.

Post Master General.

ACCOMMODATION ON BOARD THE PILOT VESSELS.

THE following Revised Rules relative to the Accommodation of Individuals proceeding to the Sand Heads or down the River on board any of the Hon'ble Company's Pilot Vessels, having been sanctioned by Government, are now published for general information.

1st. Officers, Civil and Military, when ordered to proceed down the River on Public Service, on board a Pilot Vessel, are to notify the same to the Master Attendant, or in his absence to his Assistant, who will select the vessel with reference to the exigencies of the Service, on which such Officer shall embark. In cases, where persons, whether Public Officers, or Private Individuals, are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application is to be made as above stated, accompanied by a Medical Certificate, shewing the necessity for the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. Other parties either in or out of the Service, permitted to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of his, the starboard cabin. It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. Pilots in charge of vessels are to provide a suitable Table for their Passengers and are on no account to demand a larger amount for Table Money

A Lady 6 Rupees per diem for the first fortnight—5 Rupees for every day afterwards.

A Child 4 Rupees per diem for the first fortnight—3 Rupees for every day after.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Mates and Volunteers at a charge of Two Rupees a day for the first fourteen days, and One Rupee Eight Annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened—provided that at the time they are applied for satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

EDUCATION.

PUBLIC EXAMINATIONS OF 1845.

1. The examination for senior scholarships, and candidates for government employment, will be held in the Town Hall, upon the dates and at the hours specified below.

2. The proprietors and masters of the various Institutions intending to profit by the resolution of the 10th October 1844, are invited to attend the examination in order to become acquainted with the nature of the ordeal; but it is to be distinctly understood, that no visitor is to interfere in any way with the examination or hold any communication whatever with the candidates. Those masters who may wish to be present are requested to apply to the Secretary to the Council of Education for a ticket of admission, without which no one will be allowed access to the Hall.

3. All Proprietors or Head-Masters of schools, are requested to send in to the Secretary to the Council of Education, a list of the candidates intending to be present from their Institutions, at least one week before the 23rd of September, accompanied with the certificates and testimonials required by the regulations already published.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to:—

• **POETRY.**—Milton's *Paradise Lost*; Shakspeare's *Hamlet*, *Lear*, *Othello* and *Macbeth*; and Gray's *Poems*, in far as they are contained in *Richardson's Selections*.

HISTORY.—The *History of England* from the reign of Henry the 7th to the Revolution of 1688. The 3rd Book of *Mill's History of India*, and *Macfarlane's Indian Empire*.

6. The following are the days fixed for the examinations, which will commence daily at 10 A. M. precisely, and all answers must be given in at or before 5 P. M. Candidates are recommended to be in attendance a quarter of an hour earlier, in order that no time may be lost in taking their places, &c.

7. In consequence of the great additional importance acquired by the Senior Scholarship Examination, and of the competition being no longer limited to the Students in the Government Colleges, it has become necessary to afford the best possible guarantee to the public and the Government of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen:

FORT WILLIAM,
HOME DEPARTMENT,
LEGISLATIVE,

THE 30TH AUGUST, 1845.

The following Act, passed by the Governor General of India in Council on the 30th August 1845, is hereby promulgated for general information:

Act No. XIX. of 1845.

An Act for incorporating the Assam Company.

Whereas it hath been discovered, that there are in the British Province of Assam and other the North Eastern parts of India, numerous and extensive tracts of country producing the genuine Tea Plant, and it has been ascertained that the soil and climate are in all respects adapted for the cultivation of the Tea Plant on an extensive scale.

And whereas it is considered, that the cultivation and manufacture of Tea in India will be of great national importance and benefit, as well to the United Kingdom as to the British Territories in India, and the same may be advantageously prosecuted on a scale beyond the resources and enterprise of individual Capitalists, and a Society or Company hath been lately formed for the purpose of prosecuting and extending the said culture and manufacture with a Capital of Company's Rupees 50,00,000 in 10,000 Shares of Co.'s Rs. 500 each, and certain grants of land have been already made to the said Company in Assam and the North East parts of India aforesaid, and establishments have been formed by the said Company for the purposes of the said culture and manufacture, and are now in operation.

And whereas the whole 10,000 Shares have been subscribed for and appropriated, and the Proprietors have actually paid up Company's Rupees 20,00,000 of the said Capital of Company's Rupees 50,00,000, and the several Subscrib-

ers are willing at their own expense to carry on the said culture and manufacture, and it would tend much to the convenience and advantage as well of the said Subscribers as of the public, that they should be incorporated in the manner hereinafter mentioned and provided.

And whereas it is considered, that there are in Assam other articles and products of indigenous growth, or to which the soil and climate are also adapted, the culture and preparation of which may be carried on with great advantage and profit by the said Company as incidental to, or in connection with their Tea cultivation and establishment, and whereas it is desirable that provision should be made for enabling the said Company if they shall think fit to avail themselves thereof, and for enabling them to increase their Capital Stock.

And whereas several of the persons hereinafter named had been appointed and acted as a Provisional Committee for the purpose of forming and establishing the said Company, and commencing the business thereof, and the said Company has since been constituted under the provisions of a Deed of Association, bearing date the 31st day of January 1840, and made between the several persons whose names are thereunder subscribed, and whose seals are thereunto affixed, (except the several persons, parties thereto of the second and third parts) of the first part, Sir William Baynes, Baronet, Richard Twining, Thomas Weeding, John Alliston, Andrew Henderson, Francis Fox and William Cracroft, therein respectively described of the second part, and Sir George Gerard de Hochepied, Larpent, Baronet, John Small, Alexander Rogers, Foster Reynolds, John Travers, William Manning, William R. Robinson and Ross Donnelly Mangles, therein also respectively described, of the third part, and under which Deed the business of the said Company has been com-

menced and carried on, and whereas in such Deed provision was made for confirming the several Acts, Deeds, Matters and Things executed and performed by the Provisional Committee in that capacity.

And whereas it is expedient that like provision should be made herein, and also provision for vesting, continuing and establishing in, for, and against the Corporate Body hereby created after (and notwithstanding their Incorporation) all such property, rights, contracts and liabilities whatever as the said existing Society or Company are, or but for such Incorporation would be possessed of, entitled or liable to:

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of
optional pre-payment of British Postage in
India, upon Letters for places within the United
Kingdom of Great Britain, which will come into
operation on the 1st of the ensuing month of
March, the following rates of Postage will be le-
vied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,

1 Rupee, (2 Shillings)

Above 1, and not exceeding 2 ounces,

2 Rupees, (4 Shillings)

Above 2, and not exceeding 3 ounces,

3 Rupees, (6 Shillings)

And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the
ounce.

As 5 ounces is the nearest integral of English
weight to 12 Tolas, the maximum weight allowed
for transmission by Dawk, it is indispensable that
letters be not allowed to exceed that weight, to
prevent the inconvenience of their being refused
at the Post Office.

The option of pre-paying the British Postage is
exclusively, limited to Letters transmitted in the
Mails sent via Southampton, and such letters must
bear the following superscription for the guidance
of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,

"Via Southampton."

Letters not for places, within the United King-
dom of Great Britain, or which may not require
to pass through the English Post Office, to their
ulterior destinations, will, as heretofore, be subject
to Foreign Steamer, or Red Sea Postage, precise-
ly at the same rates as those fixed for the levy of
British pre-paid Postage.

British and Foreign Steamer, or Red Sea
Postages, are exclusive of the India ordinary
Inland Postage.

It is strongly recommended, both for the con-
venience of the individuals bringing the letters,
and of the Receivers at the Post Office, that
Letters intended to be pre-paid should be accom-
panied by separate receipts, or be entered sepa-
rately from other descriptions of letters in the
Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to
apply only, to letters forwarded via Bombay, not
to letters transmitted hence by the Steamers Ben-
tinck and Hindostan.

ACCOMMODATION ON BOARD THE PILOT VESSELS.

THE following Revised Rules relative to the Accommodation of Individuals proceeding to the Sand Heads or down the River on board any of the Hon'ble Company's Pilot Vessels, having been sanctioned by Government, are now published for general information.

1st. Officers, Civil and Military, when ordered to proceed down the River on Public Service, on board a Pilot Vessel, are to notify the same to the Master Attendant, or in his absence to his Assistant, who will select the vessel with reference to the exigencies of the Service, on which such Officer shall embark. In cases, where persons, whether Public Officers, or Private Individuals, are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application is to be made as above stated, accompanied by a Medical Certificate, shewing the necessity for the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. The Pilots are on no account whatever to receive on board as Passengers, any Individuals who have not obtained the sanction above specified.

2nd. Individuals proceeding on board Pilot Vessels under any of the circumstances stated above, are entitled to occupy the larboard half of the after accommodation, free of other charge than that of Mess or Table Money hereafter specified. It must be understood that in all cases when in conformity with these orders the larboard cabin has been assigned to any Lady or Gentleman, no one can claim a share of such accommodation while the party by whom it was first engaged remains on board. Other parties either in or out of the Service, permitted

to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of his, the starboard cabin. It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. Pilots in charge of vessels are to provide a

A Gentleman 8 Rupees per diem for the first fortnight—6 Rupees for every day afterwards

A Lady 6 Rupees per diem for the first fortnight—5 Rupees for every day afterwards

A Child 4 Rupees per diem for the first fortnight—3 Rupees for every day after.

suitable Table for their Passengers and are on no account to demand a larger amount for Table Money than the sums specified in the margin, and any Pilot making directly or indirectly any demand either for Table Money or Accommodation, not strictly authorized by these Regulations, besides being compelled to refund any overcharge, will be subjected to such loss of Rank or other punishment as Government, at the recommendation of the Superintendent of Marine, may award.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Rates and Volunteers at a charge of Two Rupees a day for the first fourteen days, and One Rupee Eight Annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

EDUCATION NOTICE.

RULES for the examination of Candidates for insertion in the list directed to be annually furnished to Government, by the Notification of the Governor General, dated 10th October, 1844.

1. No one shall be allowed to become a Candidate for insertion in the Annual Returns, who is less than 18 or more than 23 years of age; and who is not at the time a student either of a Government or of a private Institution recognized by the Council of Education. All competitors must likewise produce satisfactory proofs of good moral character.

2. Every Candidate, whether he belong to a Government College or a private Institution, shall be required to undergo the usual Annual Examination, for Senior English Scholarships, a Latin being substituted for a Vernacular Essay, at the option of each Candidate.

3. There shall be two class of merit; the first shall comprehend all who are in the last year of a Senior Scholarship, or who, though not actually in the last year, would be so, if there had been a vacant scholarship at the time when they first became eligible for one; or have been engaged for ten years in the study of English at a private institution, and who obtain at least $\frac{2}{3}$ ths of the number of marks allowed in each subject. The second class shall include all other candidates, who obtain at least $\frac{1}{2}$ of the number of marks allowed for complete answers in every subject contained in the Senior English Scholarship standard.

4. The place of each successful competitor in his class, shall be determined by the relative merit of his Examination.

5. Every Candidate for insertion in the Council's list, shall pay a registration fee of Co's Rs. 5, prior to being allowed to compete at the examination.

6. The Examinations shall be held Annually at the Town Hall, a few days before the Doorga Poojah Holidays, of which due notice shall be given.

7. A Student who shall fail to prove himself qualified for insertion in the Council's list, shall not be permitted to present himself for examination more than three times, pre-paying on each occasion the usual registration fee.

8. A Candidate whose name shall once have appeared in the return, shall not be allowed to compete again with a view to obtain a higher grade.

9. All Candidates, whether from Government or private Institutions, must distinctly understand, that mere insertion in the returns will by no means be a sure passport to employment, since the preference must depend upon other qualifications, as well as upon literary and scientific acquirements, and good moral conduct.

10. The following is the system of examination adopted and the standard of the Senior English Scholarships referred to, in Rule 2.

Sets of questions on the various branches of study will be prepared under the direction of the Council of Education, who will likewise fix within a reasonable time beforehand, the days on which the examinations shall be held.

The Students shall be assembled in a room without books, papers or references of any kind. They shall not be allowed to communicate with each other during the examination, and on that account shall be placed at a proper distance from each other.

They will be required to answer the questions and to write the Essays without any assistance whatever, and to ensure this, one of the Members of the Council of Education will remain in the room and superintend the whole examination.

Any attempt at, or practice of, unfair means, shall subject the offender to exclusion from the examination, as well as from the returns of the Council, and thereby render him ineligible for Government employment.

The Council of Education will fix an uniform standard of value for each question according to its importance, a perfectly correct and complete answer will obtain the full number of marks attached to the question, an imperfect answer will obtain a part only of the full number, in proportion to its approximation to correctness and completeness. At least 50 per cent. of the aggregate number of marks attached to an entire set of examination questions, will be necessary to entitle a student to a Senior Scholarship.

The following are the qualifications for the Senior English Scholarships.

English Essay. The candidate must compose a fair English Essay.

History. He must know the leading facts of Universal History, with special reference to the Histories of Greece, Rome, India, England, and Modern Europe. The course of History which will form the subject of each Annual Examination, will be made known by the Council of Education on or before the 15th of June of the previous year.

General Literature. He must be able to explain passages of Prose and Verse, selected from standard authors. Hereafter the works from which the passages will be selected for the ensuing year, will be fixed by the Council of Education, at least one year before each annual scholarship examination.

Mathematics. He must have a knowledge of Algebra as treated of in Peacock's work on the subject, and in the Chapter on Chances in Wood's Algebra. Of Euclid he must know the first four books, the fifth definition of the 5th book, the 6th book, and 21st proposition of the 11th book: Plane and Spherical Trigonometry (Hind's, Snowball's or Woodhouse's) and Conic Sections.

Natural Philosophy. He must have a knowledge of Astronomy, Mechanics, Hydrostatics, Pneumatics and Optics as treated of in the works noted in the margin* sufficient to enable him to comprehend Herschell's Introductory Discourse on the Study of Natural Philosophy, and Mrs. Somerville's Connection of the Physical Sciences. He must also be acquainted with Mathematical and Physical Geography, as treated of

in the Publications of the Society for the Diffusion of Useful Knowledge.

Vernacular Essay. He must write a fair essay in the Vernacular.

The holders of Senior Scholarships will be examined further in a paper of special test questions, which will be prepared under the direction of the Council of Education for that purpose, and which may include subjects not specified above.

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of optional pre-payment of British Postage in India, upon Letters for places within the United Kingdom of Great Britain, which will come into operation on the 1st of the ensuing month of March, the following rates of Postage will be levied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas, ... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the ounce.

As 5 ounces is the nearest integral of English weight to 12 Tolas, the maximum weight allowed for transmission by Dawk, it is indispensable that letters be not allowed to exceed that weight, to prevent the inconvenience of their being refused at the Post Office.

The option of pre-paying the British Postage is exclusively, limited to Letters transmitted in the Mails sent via Southampton, and such letters must bear the following superscription for the guidance of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"Via Southampton."

Letters not for places, within the United Kingdom of Great Britain, or which may not require to pass through the English Post Office, to their ulterior destinations, will, as heretofore, be subject to Foreign Steamer, or Red Sea Postage, precisely at the same rates as those fixed for the levy of British pre-paid Postage.

British and Foreign Steamer, or Red Sea Postages, are exclusive of the India ordinary Inland Postage.

It is strongly recommended, both for the convenience of the individuals bringing the letters, and of the Receivers at the Post Office, that Letters intended to be pre-paid should be accompanied by separate receipts, or be entered separately from other descriptions of letters in the Sender's Dawk Receipt Books.

N. B.—These Rules, until further orders, are to apply only, to letters forwarded via Bombay, not to letters transmitted hence by the Steamers Ben-tinck and Hindostan.

WM. MOORE,
Deputy Post Master.

ACCOMMODATION ON BOARD THE
 PILOT VESSELS.

THE following Revised Rules relative to the Accommodation of Individuals proceeding to the Sand Heads or down the River on board any of the Hon'ble Company's Pilot Vessels, having been sanctioned by Government, are now published for general information.

1st. Officers, Civil and Military, when ordered to proceed down the River on Public Service, on board a Pilot Vessel, are to notify the same to the Master Attendant, or in his absence to his Assistant, who will select the vessel with reference to the exigencies of the Service, on which such Officer shall embark. In cases, where persons, whether Public Officers, or Private Individuals, are desirous of proceeding on board a Pilot Vessel for the benefit of their health, application is to be made as above stated, accompanied by a Medical Certificate, shewing the necessity for the Party to proceed to sea, when permission will be granted by the Master Attendant or his Assistant, to repair on board such vessel as may be available. Individuals again, both in the Service and out of it, who have occasion to go on board a Pilot Vessel for purposes unconnected with their duty or health, are to make application to the Superintendent of Marine stating the purposes for which they desire the indulgence, and the time for which they are likely to be on board. The Pilots are on no account whatever to receive on board as Passengers, any Individuals who have not obtained the sanction above specified.

2nd. Individuals proceeding on board Pilot Vessels under any of the circumstances stated above, are entitled to occupy the larboard half of the after accommodation, free of other charge than that of Mess or Table Money hereafter specified. It must be understood that in all cases when in conformity with these orders the larboard cabin has been assigned to any Lady or Gentleman, no one can claim a share of

such accommodation while the party by whom it was first engaged remains on board. Other parties either in or out of the Service, permitted to go on board, can only have such accommodation as the dining cabin affords, unless the Pilot in charge should let any of them have the use of his, the starboard cabin. It is to be optional with him to allow the occupation of it except as to Officers ordered on board on duty, to whom he must give up his or the starboard half of the accommodation if required; but he is on no account to demand a greater sum for this accommodation than 100 Rupees per diem for the first four or five days, and Six Rupees for every day after, which it be given up voluntarily or under order.

3d. Pilots in charge of vessels are to provide a

A Gentleman 8 Rupees per diem for the first four or five days, and 6 Rupees for every day after.

A Lady 6 Rupees per diem for the first four or five days, and 4 Rupees for every day after.

A Child 4 Rupees per diem for the first four or five days, and 2 Rupees for every day after.

Passengers and are on no account to demand a larger amount for Table Money than the sum specified in the margin and any Pilot making directly or indirectly any demand either for Table Money or Accommodation, not strictly authorized by these Regulations, besides being compelled to refund any overcharge, will be subjected to such loss of Rank or other punishment as Government, at the recommendation of the Superintendent of Marine, may award.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Mates and Volunteers at a charge of Two Rupees a day for the first four or five days, and One Rupee 100 annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

By order of the Acting Suplt. of Marine,

JAS. SUTHERLAND,

Secretary.

EDUCATION.

PUBLIC EXAMINATIONS OF 1845.

1. The examination for senior scholarships, and candidates for government employment, will be held in the Lower Hall, upon the dates and at the hours specified below.

2. The proprietors and masters of the various Institutions intended to profit by the resolution of the 10th October 1844, are invited to attend the examination in order to become acquainted with the nature of the ordeal; but it is to be distinctly understood, that no visitor is to interfere in any way with the examination or hold any communication whatever with the candidates. Those masters who may wish to be present are requested to apply to the Secretary to the Council of Education for a ticket of admission, without which no one will be allowed access to the Hall.

3. All Proprietors or Head-Masters of schools, are requested to send in to the Secretary to the Council of Education a list of the candidates intending to be present from their Institutions, at least one week before the 23rd of September, accompanied with the certificates and testimonials required by the regulations already published.

5. The Council have latterly thought it expedient to give notice, to what books or parts of books they intend to confine the literary and historical examinations for the year, in order that the reading of the Students may not be spread over too wide a surface. They regret much that

for the present year, it has not been possible to extend the notice beyond the Government Institutions.

They would, therefore, recommend Candidates from other Institutions, to consider whether it may not be prudent for them to postpone appearing for examination until next year, when care shall be taken, to give them notice of the books or parts of books, selected for the examination.

The following are the subjects referred to —

POETRY — Milton's *Paradise Lost*; Shakespeare's *Hamlet*, *Lear*, *Othello* and *Macbeth*; and Gray's *Poems* as far as they are contained in Richardson's *Selections*.

PROSE — The first four volumes of the *Spectator*, and Bacon's *Essays*.

HISTORY — The History of England from the reign of Henry the 7th to the Revolution of 1688. The 3rd Book of Mill's History of India, and Macfarlane's *Indian Empire*.

7. In consequence of the great additional importance acquired by the Senior Scholarship Examination, and of the competition being no longer limited to the Students in the Government Colleges, it has become necessary to afford the best possible guarantee to the public and the Government of the results being fully, fairly, and impartially reported. The papers will therefore be examined by the following Gentlemen —

OVERLAND PRE-PAID LETTERS.

NOTICE.—With reference to the system of
optional pre-payment of British Postage in
India, upon Letters to places within the United
Kingdom of Great Britain, which will come into
operation on the 1st of the ensuing month of
March, the following rates of Postage will be le-
vied, namely,

Not exceeding $\frac{1}{2}$ an ounce, 8 Annas,... (1 Shillings)
Above $\frac{1}{2}$, and not exceeding 1 ounce,
1 Rupee, (2 Shillings)
Above 1, and not exceeding 2 ounces,
2 Rupees, (4 Shillings)
Above 2, and not exceeding 3 ounces,
3 Rupees, (6 Shillings)
And so on, increasing 1 Rupee, (2 Shillings)
for every additional ounce, or fraction of the
ounce.

As 5 ounces is the nearest integral of English
weight to 12 Tolas, the maximum weight allowed
for transmission by Dawl, it is indispensable that
letters be not allowed to exceed that weight, to
prevent the inconvenience of their being refused
at the Post Office.

The option of pre-paying the British Postage is
exclusively limited to Letters transmitted in the
Mails sent via Southampton, and such letters must
bear the following superscription for the guidance
of the Post Office Receivers, viz.

"BRITISH POSTAGE PRE-PAID,
"Via Southampton."

Letters not for places, within the United King-
dom of Great Britain, or which may not require
to pass through the English Post Office, to their
ulterior destinations, will, as heretofore, be subject
to Foreign Steamer, or Red Sea Postage, precisely
at the same rates as those fixed for the levy of
British pre-paid Postage.

British and Foreign Steamer, or Red Sea
Postages, are exclusive of the India ordinary
Inland Postage.

It is strongly recommended, both for the con-
venience of the individuals bringing the letters,
and of the Receivers at the Post Office, that
Letters intended to be pre-paid should be accom-
panied by separate receipts, or be entered sepa-
rately from other descriptions of letters in the
Sender's Dawl Receipt Books.

N. B.—These Rules, until further orders, are to
apply only, to letters forwarded via Bombay, not
to letters transmitted hence by the Steamers Ben-
tineck and Hindostan.

Deputy Post Master.

2d. On letters sent in the Express to Madras, the rates already charged on letters sent by the Express to meet the Peninsular and Oriental Com-

Vide Government Gazette of 29th May 1845, page 435.

GENERAL POST OFFICE NOTIFICATION.

TO prevent all possible misunderstanding, and to enable all Parties to secure the prompt delivery of their Letters bearing postage—The following Rules, this day issued for the guidance of the Delivery Peons, are hereby published for general information:

1st. Every Peon will be provided with a Pugree, Kumerbund and Belt, of uniform color, and will carry a bell in his hand.

2d. No bearing letter will be delivered to any party, whatever, without payment of the postage charged thereon.

3d. The Peon, on reaching each house, will sound the bell, and deliver all paid and service letters as usual, and at the same time, demand postage for any bearing letter or letters he may hold.

After the first sounding of the bell, the Peon may wait two or three minutes, when, if the postage of such bearing letter or letters is not given, he will sound the bell a second time, waiting as before; at the expiration of the second two minutes, he will sound the bell for the third and last time, when, after two more minutes delay, if not paid, he will proceed to the next house, and return the unpaid letter to the Office.

ACCOMMODATION ON BOARD THE
 PILOT VESSELS.

THE following Revised Rules relative to the
 Accommodation of Individuals proceeding
 to the Sand Heads or down the River on board
 any of the Hon'ble Company's Pilot Vessels, hav-
 ing been sanctioned by Government, are now
 published for general information.

1st. Officers, Civil and Military, when ordered
 to proceed down the River on Public Service, on
 board a Pilot Vessel, are to notify the same to the
 Master Attendant, or in his absence to his
 Assistant, who will select the vessel with re-
 ference to the exigencies of the Service, on which
 such Officer shall embark. In cases, where per-
 sons, whether Public Officers, or Private Indi-
 viduals, are desirous of proceeding on board a
 Pilot Vessel for the benefit of their health, appli-
 cation is to be made as above stated, accompanied
 by a Medical Certificate, shewing the necessity for
 the Party to proceed to sea, when permission will
 be granted by the Master Attendant or his As-
 sistant, to repair on board such vessel as may be
 available. Individuals again, both in the Service
 and out of it, who have occasion to go on board
 a Pilot Vessel for purposes unconnected with
 their duty or health, are to make application to
 the Superintendent of Marine stating the pur-
 poses for which they desire the indulgence, and
 the time for which they are likely to be on
 board. The Pilots are on no account whatever
 to receive on board as Passengers, any Individuals
 who have not obtained the sanction above specified.

2nd. Individuals proceeding on board Pilot
 Vessels under any of the circumstances stated
 above, are entitled to occupy the larboard half of
 the after accommodation, free of other charge
 than that of Mess or Table Money hereafter spe-
 cified. It must be understood that in all cases
 when in conformity with these orders the lar-
 board cabin has been assigned to any Lady
 or Gentleman, no one can claim a share of
 such accommodation while the party by whom
 it was first engaged remains on board. Other
 parties either in or out of the Service, permitted
 to go on board, can only have such accommodation
 as the dining cabin affords, unless the Pilot
 in charge should let any of them have the use of
 his, the starboard cabin. It is to be optional
 with him to allow the occupation of it except as to
 Officers ordered on board on duty, to whom he
 must give up his or the starboard half of the
 accommodation if required; but he is on no

account to demand a greater sum for this accommodation than Eight Company's Rupees per diem for the first fourteen days, and Six Rupees for every day after, whether it be given up voluntarily or under orders.

3d. Pilots in charge of vessels are to provide a

A Gentleman 8 Rupees per diem for the first fortnight—8 Rupees for every day afterwards

A Lady 6 Rupees per diem for the first fortnight—5 Rupees for every day afterwards

A Child 4 Rupees per diem for the first fortnight—3 Rupees for every day after

suitable Table for their Passengers and are on no account to demand a larger amount for Table Money than the sums specified in the margin, and any Pilot making directly or indirectly any demand either for Table Money or Accommodation, not strictly authorized by these Regulations, besides being compelled to refund any overcharge, will be subjected to such loss of Rank or other punishment as Government, at the recommendation of the Superintendent of Marine, may award.

4th. Warrant Officers, or other respectable parties whose means do not admit of their paying the above rates, can be accommodated and mess with the 2nd Mates and Volunteers at a charge of Two Rupees a day for the first fourteen days, and One Rupee Eight Annas for each day afterwards that they remain on board. The Branch Pilots in charge of the Pilot Vessels, are to see that such passengers are not charged more than these rates. Any demand of more, will subject those who prefer it, to punishment.

By order of the Acting Supdt. of Marine,

JAS. SUTHERLAND,

Secretary.

EDUCATION NOTICE.

RULES for the examination of Candidates for insertion in the list directed to be annually furnished to Government, by the Notification of the Governor General, dated 10th October, 1814.

1. No one shall be allowed to become a Candidate for insertion in the Annual Return, who is less than 18 or more than 23 years of age; and who is not at the time a student either of a Government or of a private Institution recognized by the Council of Education. All competitors must likewise produce satisfactory proofs of good moral character.

2. Every Candidate, whether he belong to a Government College or a private Institution, shall be required to undergo the usual Annual Examination, for Senior English Scholarships, a Latin being substituted for a Vernacular Essay, at the option of each Candidate.

3. There shall be two class of merit: the first shall comprehend all who are in the last year of a Senior Scholarship, or who, though not actually in the last year, would be so, if there had been a vacant scholarship at the time when they first became eligible for one; or have been engaged for ten years in the study of English at a private institution, and who obtain at least $\frac{1}{4}$ ths of the number of marks allowed in each subject. The second class shall include all other candidates, who obtain at least $\frac{1}{2}$ of the number of marks allowed for complete answers in every subject contained in the Senior English Scholarship standard.

4. The place of each successful competitor in his class, shall be determined by the relative merit of his Examination.

5. Every Candidate for insertion in the Council's list, shall pay a registration fee of Co.'s Rs. 5, prior to being allowed to compete at the examination.

6. The Examinations shall be held Annually at the Town Hall, a few days before the Doorga Poojah Holidays, of which due notice shall be given.

7. A Student who shall fail to prove himself qualified for insertion in the Council's list, shall not be permitted to present himself for examination more than three times, pre-paying on each occasion the usual registration fee.

8. A Candidate whose name shall once have appeared in the return, shall not be allowed to compete again with a view to obtain a higher grade.

9. All Candidates, whether from Government or private Institutions, must distinctly understand, that mere insertion in the returns will by no means be a sure passport to employment, since the preference must depend upon other qualifications, as well as upon literary and scientific acquirements, and good moral conduct.

10. The following is the system of examination adopted and the standard of the Senior English Scholarships referred to, in Rule 2.

Sets of questions on the various branches of study will be prepared under the direction of the Council of Education, who will likewise fix within a reasonable time beforehand, the days on which the examinations shall be held.

The Students shall be assembled in a room without books, papers or references of any kind. They shall not be allowed to communicate with each other during the examination, and on that account shall be placed at a proper distance from each other.

They will be required to answer the questions and to write the Essays without any assistance whatever, and to ensure this, one of the Members of the Council of Education will remain in the room and superintend the whole examination.

Any attempt at, or practice of, unfair means, shall subject the offender to exclusion from the examination, as well as from the returns of the Council, and thereby render him ineligible for Government employment.

The Council of Education will fix an uniform standard of value for each question according to its importance, a perfectly correct and complete answer will obtain the full number of marks attached to the question, an imperfect answer will obtain a part only of the full number, in proportion to its approximation to correctness and completeness. At least 50 per cent. of the aggregate number of marks attached to an entire set of examination questions, will be necessary to entitle a student to a Senior Scholarship.

The following are the qualifications for the Senior English Scholarships.

English Essay.

The candidate must compose a fair English Essay.

History. He must know the leading facts of Universal History, with special reference to the Histories of Greece, Rome, India, England, and Modern Europe. The course

of History which will form the subject of each Annual Examination, will be made known by the Council of Education on or before the 15th of June of the previous year.

General Literature.

He must be able to explain passages of Prose and Verse, selected from standard authors. Hereafter the works from which the passages will be selected for the ensuing year, will be fixed by the Council of Education, at least one year before each annual scholarship examination.

Mathematics.

He must have a knowledge of Algebra as treated of in Peacock's work on the subject, and in the Chapter on Chances in Wood's Algebra. Of Euclid he must know the first four books, the fifth definition of the 5th book, the 6th book, and 21st proposition of the 11th book: Plane and Spherical Trigonometry (Hind's, Snowball's or Woodhouse's) and Conic Sections.

Natural Philosophy.

He must have a knowledge of Astronomy, Mechanics, Hydrostatics, Pneumatics and Optics as treated of in the works noted in the margin* sufficient to enable him to comprehend Herschell's Introductory Discourse on the Study of Natural Philosophy, and Mrs. Somerville's Connection of the Physical Sciences. He must also be acquainted with Mathematical and Physical Geography, as treated of in the Publications of the Society for the Diffusion of Useful Knowledge.

Vernacular Essay.

He must write a fair essay in the Vernacular.

The holders of Senior Scholarships will be examined further in a paper of special test questions, which will be prepared under the direction of the Council of Education for that purpose, and which may include subjects not specified above.
